

Just 66 sleeps to Noosa alive!

Be sure to grab your brochure for 2018

NOOSA alive! 2018, Australia's premiere regional performing arts and culture festival will once again bring Noosa to life during 10 days of glorious entertainment, food, culture and fun from July 20-29, 2018 celebrating 17 years of delivering world-class culture to community.

Tickets are now on sale www.noosaalive.com and the highly-anticipated glossy brochure will hit the streets this Friday.

Be sure to get your own copy so you can plan your 10 days of festival fun.

NOOSA alive! has a dedicated army of local volunteers who manned the NOOSA alive! tent at Noosa Growers Market on Sunday, and happily answered questions or queries marketgoers had about the festival.

Have a good look at the many and diverse events on offer, and importantly, book quick because this year's program looks once again to be a winner and traditionally the festival sells out in advance of

opening.

Ian Mackellar, who has been the festival director for the past 10 years, said: "We make an effort every single year to keep raising the bar on delivering the best of culture to community".

"We believe in supreme quality of experience on every level and we aim for at least one 'first' every year, something new and exciting to sustain our edge!"

This year is exceptional; the line-up of talent both local and visiting is Stellar with 80+ ticketed and free events, 250 artists, plus 14 premiere performances including three world, six Australian and five Queensland premieres...

This is a unique opportunity to engage in real quality of life experience. And that's just for starters.

Damien Anthony Rossi (DAR) has been signed as Ambassador for NOOSA alive! 2018.

DAR is not a stranger to our festival or to Noosa, and with his career skyrocketing this year we are lucky to

have him back!

He has just been appointed first-ever Ambassador in Queensland to Star Entertainment Group which owns and operates The Sydney Star, the Star Gold Coast and Treasury Brisbane where his main focus will be.

In addition to this, DAR is in his third year as Brisbane Racing Club's Fashion Ambassador as well as resident entertainment and events guru on Channel 7's The Great Day Out and serving as the Socials Editor for *The Sunday Mail* social pages.

"I am beyond thrilled to be offered the Festival Ambassador role this year, NOOSA alive! is an absolute highlight for me," DAR said.

"Ten glorious days of entertainment, socialising and the incomparable Noosa lifestyle.

"It's like someone who knows and loves me has designed my perfect holiday and mid-year break."

In the words of DAR himself: "Bring it on folks!"

OLE will perform at Noosa Alive 2018.
